

Well here we are in December and we have come full circle from March as we are now basically back in lock down. But now we know what to do and hopefully that curve will bend back down.

We are so lucky to have Nick and Katie who remain so positive and have a great sense of humour. We look forward to 2021 and hope it will be a “very good year” when we can be back to normal and enjoy each other's company in person.

I am in the process of moving into Penticton and joining my many friends in Redwing on December 1 so my life is in

boxes at the moment.

A reminder to everyone that we have a few **Tune-Ager Anniversary tote bags** left. If you are interested, and remember Christmas is coming what a perfect gift, please contact Nora.

Annabelle is making **masks for singing** and they can be purchased with a donation to the Oasis United Church Food Cupboard.

Orchestra News: Some had a great chat with Nick and they are going to try and have a virtual practice on December 15 and see if something can be worked out for January if Zoom is still our best friend then.

Choir News: The work is in process for our virtual pieces and I understand that some of the orchestra may be part of it. Just to ask people if they can get their recording in as soon as possible. We want to thank Nick and his team of David Fort and possibly another elf!!! Please understand that you do not have to do this recording but it would be great if as many as possible give it a try. The first time is intimidating but the result is amazing as we found out earlier in the year.

A huge thank you to Myrna, Liz and Andrew for all their help.

Our Executive works so hard and I would like to thank them all and all of you as members of the Penticton Tune-Agers for a very interesting year and may it never be repeated.

Merry Christmas to all of you from your Executive and I hesitate to say have a wonderful New Year.

Sarah Tupholme
